November 18, 2008

Some Resources on Climate Change and Health:

- [Intergovernmental Panel on Climate Change Fourth Assessment Report](#) IPCC
- [Methods of Assessing Human Health Vulnerability and Public Health Adaptation to Climate Change](#) WHO, Health Canada, UNEP
- [Millennium Ecosystem Assessment, Ecosystems and Human Well-being](#) WHO

Today's Speakers: Climate Change and Health

Dr. Kristie Ebi

- Kristie has worked in the field of global climate change for more than ten years. Her research focuses on potential impacts of climate variability and change, and on the design of adaptation response options. She is a Lead Author for the Human Health chapter of the IPCC Fourth Assessment Report.

Dr. Peter Berry, Health Canada

- Peter is a Senior Policy Advisor with the Climate Change and Health Office at Health Canada and is the co-author of several Canadian publications related to climate change and health. Peter is also a co-author of the pending assessment of the vulnerabilities and adaptive capacity of Canadians in the face of climate change.
